Alder Hey Department of Neurosurgery

Alder Hey Children's NHS Foundation Trust – North West Paediatric Spasticity Professional Day
Friday 15th September 2017

We have pleasure in inviting you to a free one day event to discuss the multi-disciplinary spasticity service available at Alder Hey Children's Hospital for surgical management of paediatric spasticity. It is intended that this day be educational as well as an opportunity for us to share with you what surgical options are available for your patients and how to refer to us. We hope this event also gives you opportunity to network with your specialities. This event is aimed at paediatricians, paediatric neurologists, physiotherapist, occupational therapists and nurses working with children with spasticity

The event will take place on Friday 15th September 2017 from 9am until 5pm and will be held at the Institute of child health, Alder Hey Childrens Hospital, Liverpool.

If you are interested in attending please register your interest by complete the attached application form and return via post or email. Places are limited.

Please feel free to circulate to colleagues who you feel may be interested in attending.

For further information or questions, please contact spasticityservice@alderhey.nhs.uk.

Best wishes

Alder Hey Paediatric Spasticity Team
